A Broadplace in Ruyton XI Towns?

Switch on Shropshire is offering Ruyton XI Towns a range of computers and other IT equipment for the whole community to use.

This is a fantastic opportunity for our community. We need to gather views and support for this project from people of all ages, to ensure that Ruyton is successful in getting a 'Broadplace'.

Your community needs your opinion!

Switch on SHROPSHIRE

Providing computers with broadband access for you in your local community.

Open up a whole new world... from our village!

Examples of Broadplace activities

- Research your family history.
- Digital photography.
